A Guide to Common Questions about the Requirements

Neighborhood Services

Milwaukee, WI 53221

CERTIFICATE OF CODE COMPLIANCE

PURPOSE

- To enhance the quality of life in our neighborhoods.
- To preserve and improve the existing housing stock.
- To effectively enforce the city's building and safety codes.

WHEN IS A CERTIFICATE REQUIRED?

A certificate is required for all non-owner occupied one and two-family dwellings city-wide and all owner occupied one and two-family dwellings located in the six designated code compliance areas. A code Compliance application must be filed within 15 days of sale, transfer or conveyance of a property.

ARE THERE ANY EXCEPTIONS TO THE REQUIREMENT?

Yes. The general exceptions to this requirement are properties:

- 1) Sold to government agencies.
- 2) Held by trustee or other persons acting under the direction of a court.
- 3) Sold to members of the immediate family.
- 4) Already covered under a valid Certificate of Code Compliance.

WHAT IF I DON'T GET THE CERTIFICATE?

You may be subject to rent withholding, rent abatement and prosecution if a certificate is not obtained.

HOW DO I APPLY FOR A CERTIFICATE?

To obtain an application or additional information, contact the City of Milwaukee, Department of Neighborhood Services, Code Compliance Program at (414) 286-3838.

You may apply by mail or at one of the City of Milwaukee Neighborhood Services office located at 841 N. Broadway Room 105 or 4001 S. 6th St. between 8:00 am - 4:00 pm. A copy of the application can be faxed to you as well!

ON-LINE FORMS

All of the forms related to this program, including this brochure, are available on the web at www.city.milwaukee.gov/dns. Click on the left column item "Forms and Brochures". Acrobat Reader is required to open and print the documents.

The application fee is \$90.00 per residential property. Two homes on the same property (taxkey) will require a single application and fee. If you fail to apply within 15 days of the sale, transfer, or conveyance of the property, the department may assess double the fee to the property tax bill and perform the required inspection.

WHAT HAPPENS AFTER I APPLY

An inspector will check the exterior of the building to determine whether it meets the minimum exterior maintenance requirements of the City's Building Code. If violations exist, an order to correct the violations will be issued. You will be given time to make repairs. If no violations are cited, or when all violations are corrected, a Certificate of Code Compliance will be issued. That Certificate is valid for one year.

NOTE: IT IS THE DUTY OF THE SELLER TO INFORM PROSPECTIVE BUYERS THAT A CERTIFICATE OF CODE COMPLIANCE IS REQUIRED.

IT IS THE ULTIMATE RESPONSIBILITY OF THE BUYER TO INSURE THAT THE CERTIFICATE IS OBTAINED BY EITHER THE SELLER OR THE BUYER.

OTHER REQUIREMENTS!

All non-owner occupied property is required to be recorded with the department as well. Properties must be recorded within 15 days of sale or the fee doubles. For details and an application call the Recording Program at (414) 286-8569. Forms are available at www.milwaukee.gov/dns.
